FOR IMMEDIATE RELEASE

KLÖCKNER PENTAPLAST TO SHOWCASE FRESH PROTEIN PACKAGING SOLUTIONS AT UPCOMING MEAT CONFERENCE

Montabaur, Germany – February 8 , 2018 – Klöckner Pentaplast Food & Consumer Products (kp FCP) will showcase its capabilities in developing complete solutions for the fresh protein market at this year's Meat Conference, which will take place February 25-27, 2018, at Gaylord Opryland Resort and Convention Center in Nashville, TN. The Meat Conference is North America's key exhibition. The Klöckner Pentaplast team will be at Hall 7.1, Booth #A60.

kp FCP will demonstrate how, through a synergistic engineering of trays and film, its packaging solutions optimize pack performance along the supply chain, improve efficiency and ensure consistent quality. Scott Pottle, Sales Director Americas at kp FCP said, "By combining our expertise in film and tray manufacturing, we are able to offer solutions that deliver real added value to our customers. The trays and lidding films have been specifically designed to ensure customers experience benefits in sustainability, stand-out pack presentation, functionality and cost efficiencies. Visitors to the Meat Conference will be able to hear first-hand about our range of total packaging solutions and ask questions relating to their specific needs and requirements. Our solutions are available for many applications—in rigid film, rigid trays and flexible film—to suit specific category needs," Pottle added.
