**FOR IMMEDIATE RELEASE**

### **KLÖCKNER PENTAPLAST AT PACK EXPO 2017 – EXPANDED GLOBAL FOOTPRINT AND PACKAGING SOLUTIONS**

**Montabaur, Germany – August 15, 2017** – Klöckner Pentaplast will exhibit their expanded line of rigid and flexible films for packaging at the upcoming Pack Expo/Healthcare Packaging Expo in Las Vegas, September 25 - 27, 2017. kp's team will introduce food packaging innovations from the LINPAC line, as well as creative packaging ideas and services for consumer goods, pharmaceutical and medical devices and labels.

“Klöckner Pentaplast is focused on meeting customer needs and developing packaging options to help our customers grow their sales and profits while reducing their packaging impact on the environment. As one of the largest rigid and flexible packaging manufacturers, we are uniquely positioned to provide total solutions. We look forward to greeting our customers and encourage everyone to visit us at booth #6606 in the Lower South Hall,” states Helene Roberts, Global Marketing & Innovations Director for kp Food and Consumer Packaging. “Pack Expo presents the perfect platform for us to exchange ideas, discuss market needs and collaborate on innovative concepts,” she continues.

#### **About Klöckner Pentaplast**

The Klöckner Pentaplast Group is a global leader in rigid and flexible packaging, printing and specialty solutions, serving the pharmaceutical, medical device, food, beverage and card markets, among others. Through the acquisition of LINPAC, an international market leader in the production of primary fresh food packaging and food service solutions, kp expands its capabilities, providing multi-material technology and offering a wide range of flexible films, from complex multilayer barrier films to simple monolayer structures. With a broad portfolio of packaging, films and services powered by innovation, Klöckner Pentaplast plays an integral role in the customer value chain by marketing and
