# ShoreCycle<sup>®</sup>

Here is where sustainability meets creativity in print and graphic film applications. Made from 95% post-consumer recycled content sourced from at-risk coastal communities, ShoreCycle™ films not only reduces waste, it also prevents litter from entering our oceans. Choose ShoreCycle for your next print project and make a difference!

## Benefits

Greatly reduces first use raw materials

Encourages social responsibility

Helps protect ocean ecosystems

New source of income for at-risk communities

Supports a circular economy

## Applications

- Hotel door danglers
- Posters & graphics
- ID & membership cards
- Gift cards
