(b) Seller agrees that Seller and its affiliates will adhere to the principles contained in the Supplier Principles (or where Seller has equivalent principles, to those equivalent principles) in all its dealings with or on behalf of Buyer in connection with this Agreement and related matters.

(c) Seller grants Buyer and its representatives the right to audit the Seller’s relevant books, accounts, documents and records (in electronic format or otherwise) and to conduct physical inspections of Seller’s worksites and premises in order for Buyer to monitor the Seller’s performance under, and compliance with, this Agreement and the Supplier Principles.
