### **KLÖCKNER PENTAPLAST TO SHARE PHARMACEUTICAL AND MEDICAL DEVICE PACKAGING SOLUTIONS AT HEALTHPACK 2017**

**Montabaur, Germany – February 23, 2017** – Klöckner Pentaplast will present the latest range of pharmaceutical and medical device packaging solutions and services at HealthPack 2017 (Booth 12) March 7-9, 2017, at the Denver Marriott City Center in Denver, Colorado (US). The kp team will share insight with medical device packaging decision-makers, including directors, managers, R&D team members and packaging engineers.

#### **BlisterPro® XCEL Services**

Klöckner Pentaplast's BlisterPro® XCEL Services optimize the union of product and packaging. Protective barrier properties of the final package are predicted reducing or eliminating the need for expensive and time-consuming line trials. For over 50 years Klöckner Pentaplast has been a leader in producing high performing barrier films; the addition of BlisterPro® XCEL material selection and design execution has become a science, setting kp apart from other film producers. Imagine the value created when many months of design, testing and feedback can now, in many cases, be accomplished in weeks. Based at the first kp i.center, located in Charlottesville, VA (USA), the expanded BlisterPro® XCEL suite of design services offers a collaborative space specifically configured to help global customers bring products to market more quickly and economically.

## **About the Klöckner Pentaplast Group**

The Klöckner Pentaplast Group is a global leader in providing packaging, printing and specialty solutions serving the pharmaceutical, medical device, food, beverage and card markets among others. With a broad portfolio of rigid plastic films and services powered by innovation, Klöckner Pentaplast plays an integral role in the customer value chain by marketing and protecting product integrity, safety, consumer health and ultimately, brand reputation.

Klöckner Pentaplast continuously earns high EcoVadis ratings, indicating the company's commitment to Corporate Social Responsibility throughout its global operations. kp's practices rank in the top 8% of suppliers within the respective industry classification of plastics manufacturing and in the top 12% of over twenty thousand suppliers evaluated by EcoVadis. In benchmark comparison within the plastics manufacturing industry, kp is ahead of the industry average in all four areas assessed: Environment, Labor Practices, Fair Business Practices, and Responsible & Sustainable Procurement. Klöckner Pentaplast is among the top 5% of suppliers assessed in industry classification for Environmental Practices and in the top 9% of suppliers assessed in respective industry classification of Fair Business Practices.
