Montabaur, Germany – May 23, 2018 – Klöckner Pentaplast has once again earned the Sindusfarma Quality Award for preferred/best packaging solutions provider in the category of rigid films for blisters. This marks the eleventh time the Brazil-based team has been given this award. Presented since 1997, the Sindusfarma Quality Award is the Brazilian pharmaceutical industry's highest honor. The award is presented to suppliers of packaging materials, raw materials, machines and equipment, appliances and instruments and also to service providers.

The ceremony was attended by approximately 1,500 people in São Paulo, Brazil. Area officials and industry leaders attended this prestigious event, held in advance of the annual FCE Pharma trade show, where Klöckner Pentaplast hosted meetings with dozens of customers and prospects throughout a three-day exhibition.

“It’s a great honor to earn this recognition for the eleventh time.
